

LAND EVENT
WGP Nature Tour/Hike

Description: Take a guided 1 1/2 mile walk through the Withlacoochee Gulf Preserve with a Florida master naturalist. The emphasis will be on the habitats and the plants and critters of typical Florida ecosystems – uplands, wetlands and coastal. The walk will include a fully accessible board walk through woods and tidal streams, as well as a walk along the saltmarsh with a visit to a two-story observation tower. Bring your binoculars.

Location: Withlacoochee Gulf Preserve, Educational Bldg..

Dates: Friday October 25th and Saturday the 26th

Time: 1:00 PM Friday and 1:30 Saturday
